

Graduate courses that may count for the certificate:

Courses highlighted in yellow will count. You will have to provide syllabi for other courses to see if they may count.

A few notes:

1. WGST 790 is required for the Certificate and is typically offered once per year (in the Spring). 2. For courses that are 500-level or below, please contact the instructor to make sure they are ok with a graduate student enrolling.
